Re: \$3000 Borough Donation

Dear Ms. Ambrose:

Please note that the Borough of East Washington has reconsidered its position in making a contribution to the Citizens Library for the year 2017. After careful consideration and with the charitable desires and donations from various Borough individuals, the Borough will be making a \$3,000.00 donation to Citizens Library. The Council will be selecting a new representative to the Board and will advise you accordingly. The Borough looks forward to working with the library to ensure the success of future endeavors therein. If you have any further questions, please do not hesitate to contact us.

Thank you,

Jerad Cypher 
President of Council
East Washington Borough

Michael Gomber 
Mayor of East Washington Borough
